We've introduced data roaming spend caps and notifications to help you manage your data roaming when abroad.

How much are spend caps set at?

The standard spend cap is €61.50 for Pay as you go customers.

How do they work?

We'll text you when you reach about 75% of the spend cap limit letting you know how much you have spent. If you then reach the spend cap limit we'll send you another text letting you know that we have capped your data usage.

Can I exceed these spend caps?

To exceed the spend cap (€61.50 for Pay as you go customers): **text PASS CAP to 50193.**
