

Vodafone Office including OneDrive for Business

Reviewed: 1 March 2021

Vodafone Office including OneDrive for Business

Vodafone Fixed Line and Fixed Broadband Services and the Next Generation Access/Fibre Broadband Services allow you to choose OneDrive for Business provided to you by third party provider (Microsoft). OneDrive for Business is available on a subscription basis and within applicable Price Plans. Vodafone provides you with the right to access OneDrive for Business via the Vodafone fixed network only.

Cost of Service

1. Where the OneDrive subscription is included as part of your applicable Price Plan contract you can select this at no additional cost. We supply a virtual OneDrive pass on a monthly basis throughout the period the subscription is included in your Price Plan contract and Microsoft accepts that pass to give you access to OneDrive for the agreed term within your contract.
2. Where the OneDrive subscription is selected as a monthly 'Add On' subscription the cost will be confirmed to you on or before taking out the subscription. We supply a virtual OneDrive pass on a monthly basis for the duration of your subscription and Microsoft accepts that pass to give you access to your OneDrive.
3. The cost of this monthly 'Add On' subscription will be included in your monthly bill if you are Vodafone Office Fixed Broadband customer.

Access the Service

1. If you exceed any Price Plan data allowance when using OneDrive you will incur additional data usage charges.
2. The Service is subject to network coverage, equipment capability and the operating system installed on your equipment.
3. Vodafone cannot guarantee that the OneDrive service will be compatible with all devices and it is your responsibility to check in store or online for your devices compatibility with OneDrive that you wish to subscribe to before you purchase the Service.
4. Your OneDrive subscription will automatically continue after the term specified in your Price Plan Terms. On the expiry of your contract term, Vodafone reserves the right to charge for OneDrive Subscription
5. If you wish to continue on the same price plan after your contract term has expired, you will need to purchase The OneDrive for Business Add-On at an additional cost. Similarly, if you upgrade or re-commit to a new contract during the initial 18/24 month contract term, then you will receive the OneDrive offer included in the new contract. Thereafter you will have the option to purchase OneDrive for business, if available, as an Add-On at an additional cost.

Ending the Service

1. Where selected as part of an applicable price plan the Service can only be cancelled in accordance with your Price Plan terms. You shall be entitled to the relevant cooling off period of 14 days under the European

Union (Consumer Information, Cancellation and Other Rights) Regulations 2013 (SI No. 484/2013). From the point of activation OneDrive for Business subscription you shall be deemed to have accepted the goods and the cooling off period shall expire.

2. Where selected as a monthly 'Add On' subscription you can terminate your monthly subscription by contacting Vodafone at any time. The cancellation will take effect from the next monthly anniversary of the date you subscribed except where you cancel less than 48 hours before your next monthly anniversary date in which case cancellation will take effect from the following monthly anniversary. If you terminate your subscription you will not be entitled to any subscription refund.
3. Upon expiration or termination of this Agreement, you may contact Vodafone and tell us whether to:
 1. disable your account and then delete the customer data; or
 2. retain your customer data stored in the online service in a limited function account for at least 90 days after expiration or termination of this Agreement (the "Retention Period") so that you may extract the data.
4. If you choose option 1 above, you will not be able to extract the customer data from your account once we have actioned same.
5. In default of choosing either option 1 or 2 Vodafone will retain the customer data in accordance with option 2
6. Following the expiration of the Retention Period, Vodafone will disable the Customer's account and delete its customer data. Cached or back-up copies will be purged within 30 days of the end of the Retention Period.
