Reviewed: 1 September 2019

From May 29th 2019

1. Your employment with your company may permit you to obtain mobile services from Vodafone Ireland Limited at a discount on eligible plans – RED Standard, RED Complete, RED Max, RED Complete SIM Only and RED Max SIM Only. Please check with your employer whether you are eligible.
2. The discount only applies to one connection for your use only.
3. The discount is based on your employer's agreement with Vodafone. From time to time, your discount rate may be adjusted in accordance with your employer's agreement with Vodafone.
4. Vodafone reserves the right to withdraw the discount if you leave the company or if the company ceases to be a Vodafone customer.
5. The discount on your Vodafone RED Complete tariff may take up to 30 days to take effect.
6. These Employee Advantage Scheme terms and conditions apply in addition to and form part of the general terms and conditions of your existing Vodafone customer contract. The general terms and conditions of your existing customer contract with Vodafone are available for your information at vodafone.ie/terms.
7. The discount you receive under the Employee Advantage Scheme does not affect any Early Termination Fee that you are liable to pay should you terminate your contract with Vodafone early.
8. Vodafone will keep a record of your company email address and from time to time will share this with your employer to verify your continued eligibility for the affinity discount.
9. If your employment changes or is terminated you are required to notify Vodafone as you will no longer be eligible for the discount.
10. If a review of your employment status by Vodafone reveals that you are no longer an employee of the company, Vodafone reserves the right to remove any discount and move you to the most similar commercially available tariff or to a non-discounted tariff for the remainder of your contract term.
11. New connections to Vodafone Bill Pay may be subject to a deposit or advance payment. Direct Debit is mandatory.
