1.4. Our agents are not authorised to change this Agreement or to agree any provision inconsistent with these terms. We may change, terminate or withdraw this Agreement, the Services or our Price Plans, or part thereof for any commercial, legal, technical or operational reason and any important changes to contractual conditions will be notified to you in advance in accordance with our statutory obligations.

1.5. We may change Service delivery methods or platforms from time to time which may require you to change Equipment and/or Equipment settings to continue to avail of the Services.

1.6. This Agreement is personal to you. Unless we give you prior consent, you cannot pass your rights or responsibilities under this Agreement or transfer or assign this Agreement to anyone else, even if we give you more than one SIM card or you give your Device to another person or you nominate any other person to make changes to your account. It is your sole responsibility to make sure all SIM Cards on your account are used in accordance with this Agreement.

1.7. Your Vodafone account will contain Customer Information, usage details and other information relating to all services being provided under that account. You can choose to provide other individuals with access to view this information or make changes to your account by nominating an Authorised Contact or an End-User to your account by contacting us. Before this access is provided we will inform you of, and you must accept, the terms and conditions (in particular the privacy implications) of that nomination. You can remove any access provided to another individual on your account at any time by contacting us.

1.8. We may, acting reasonably, freely transfer, charge and/or assign this Agreement without notice and, in particular, we may freely transfer, charge and/or assign existing and/or future debts due to us without notice, save where not permissible by applicable statutory provisions. For the avoidance of doubt, we may, acting reasonably and without notice to you, freely transfer, charge and/or assign any or all of our rights under this Agreement, including our rights to receive payments from you, whether in respect of the Services, the Equipment or any other amounts that you may be required to pay to us pursuant to this Agreement. You agree that we may contact any person named in any proof of identity and/or references provided by you in order to verify their accuracy (or continuing accuracy).

1.9. This Agreement is provided by us to you as a consumer for your private, personal and non-commercial use.

1.10. When does my Agreement start and end? This Agreement starts from when we connect you to the Vodafone Network, unless we agree otherwise with you. We will continue to provide the Service to you until either of us decides to end the Agreement in the ways allowed under "Suspension" or "Termination" below.

1.11. For a Bill Pay Customer: If a Minimum Term applies to your Agreement, this will be shown on your application form and/or Welcome Letter. You cannot move to a Price Plan of lower value during your Minimum Term. At the end of your Minimum Term, this Agreement will continue to run on a month to month basis until you decide to enter a new contract with Vodafone or either of us decides to end the Agreement in the ways allowed under "Suspension" or "Termination" below. If you have a fixed duration minimum term (such as a 12 or 24 month agreement), before the expiry of your minimum term, we will notify you of your minimum term end date and how you can terminate in accordance with our regulatory obligations

2. OUR SERVICE

2.1. We will use reasonable efforts to connect you to the Vodafone Network on the same day as your application is made or on an agreed Port date or as soon as is practicable and to make the Service available to you at all times.

2.2. We continuously monitor network performance and during busy periods on our Network we may need to manage traffic to ensure everyone has access to our services. We endeavour to ensure that the service received by our customers is not impacted through a small number of users, or a particular promotion, placing high demand on network resources (e.g. large bandwidths or exceptionally high call volumes over long periods). In general you will not notice the difference however if for any reason traffic is exceptionally busy you may experience a temporary impact on your service such as slower speed. For more information on our network, see www.vodafone.ie/network.

2.3. Due to the nature of mobile services, we are not in a position to guarantee or offer any minimum service levels as to the quality and availability of the Service other than as set out in this Agreement. You may experience issues, from time to time, which impact the quality and availability of the Service. As with all radio based systems the Service may be affected by a number of local factors, such as building materials, tree cover and even weather conditions, the number of people using the network, the movement between locations, damage to the network and so on. Data reception or speed may not be as good indoors or in a car. We cannot guarantee that your Services will be uninterrupted, timely, secure, error-free, or that it will meet your specific requirements.

2.4. For full information on speed, including estimates of the maximum download and upload speeds that you may experience on our network and speed tiering if applicable, please see <https://n.vodafone.ie/support/mobile/data-speedinformation.html>. Where network is available; our estimated maximum attainable 5G download internet speed is 25Mbps and upload internet speed is 5Mbps, our estimated maximum attainable 4G download internet speed is 10Mbps and upload internet speed is 3Mbps and, our estimated maximum attainable 3G download internet speed is 3Mbps and upload speed is 0.5Mbps. The actual speed you experience will depend on a number of factors including your location and surroundings, your device capability, your selected Price Plan, network traffic, network coverage and network signal. Certain quality of service impacts such as increased latency, jitter and packet loss can also cause delay and slow down your internet access service. Please note we offer a range of mobile Price Plans and top up offers; some of which contain agreed maximum upload and download speed limits according to various speed tiers. Please see your selected Price Plan or top up offer service specific terms and conditions (www.vodafone.ie/terms) for full information on what speed limitations, if any, apply to your plan and how these work.

2.5. Contacting us regarding speeds: If you experience any continuous issue or regularly recurring difference with the speed communicated for your internet access service then please contact us and we will attempt to diagnose and resolve your issue. We will endeavour to resolve your issue as soon as possible within 10 working days. In exceptional circumstances longer resolution times may need to apply and in any case we will look to resolve within 28 days. Any complaints will be managed in accordance with our Code of Practice. If having gone through our assurance process it is not possible for Vodafone to remedy a situation where you are not continuously or regularly achieving the speeds that we have communicated and, where the relevant facts are established by a monitoring mechanism certified by ComReg, this may constitute non-conformity of performance for the purposes of triggering the right to seek potential remedies available to you under Irish law. You may choose to exercise your rights under consumer protection legislation such as the Sale of Goods and Supply of Services Act 1980 which provides remedies for refund or repair or to exercise your rights under common law for remedies such as restitution of rescission of contract. These remedies may include but are not limited to rectification of the issue, the selection of an alternative service, the offer of a discount or you may choose to terminate your service without payment of the Early Termination Fee (although if you terminate during your Minimum Term and

you choose to keep your Device, you will have to pay for your Device Subsidy (see clause 6 for further detail on the Device Subsidy).

2.6. We may modify or suspend the service wholly or partially, with or without notice, if such action is deemed necessary by us; or if we are requested by an authorised authority; or are required to do so by legislation; or for other technical, maintenance, security reasons; or other valid reasons. All reasonable efforts will be made to minimise such service disruptions. You will have to pay for all Charges during any such service disruptions unless we decide otherwise.

2.7. Reliance on call or data session content made over the Network is at your sole risk. We will not be liable for any content sent or received by you. We make no representation as to the quality, accuracy, correctness, completeness or suitability of any call or data session content. You acknowledge that call or data session content may be protected by copyright, trademark or other intellectual property rights. You accept and agree that content may be manipulated, distorted, adapted, modified, stored or forwarded by others without restriction on wireless networks and the internet, and we will not be responsible or liable for such acts. You agree not to manipulate, distort, adapt, modify or forward any other content without the prior consent of the holder of the rights in such content. We do not accept responsibility for the security of data sessions; when you conduct a data session, you do so at your own risk and are solely responsible for adopting such appropriate security measures against unauthorised access to and interference with your equipment (or associated software/hardware and data) as may be necessary.

2.8. We make no representation and give no warranty as to the content, quality, availability, suitability or timeliness of any Third Party Service. We reserve the right to suspend or withdraw access to Third Party Services on a temporary or permanent basis at any time. Third Party Services are used at your sole risk and we are not liable for any loss or damage suffered by you arising from the use of such services. We may be required to bill you for such services. This clause includes, but is not limited to, the use of Services to access third party websites not controlled by us. We accept no responsibility for their content or services and no endorsement or approval of such sites by us may be implied.

2.9. We reserve the right, without prejudice to any other provisions of this Agreement, to issue such reasonable instructions or policies, either directly to your Equipment or by making available on www.vodafone.ie, concerning the use of the Services as may be necessary in the interests of; safety, quality of service, other customers, telecommunications services as a whole, or for any other valid reason. These may include acceptable use or fair use policies which provide more detail about the rules for use of certain Services in order to ensure that use of the Services is not excessive, to manage the Network, to combat or prevent fraud, or any security or vulnerability threats, and where the Services we offer or may introduce require certain rules, to ensure they can be enjoyed by all of our customers. If a fair usage policy applies to your account this will be detailed in your Price Plan, which sets out acceptable usage. You agree to comply with any policy (including any amended policy) as issued by us from time to time that applies to your use of the Services and a copy of these policies can be requested from Customer Care or viewed on www.vodafone.ie.

2.10. Directory Services and Caller Display: You have a right to an entry, without charge, in the National Directory Database (NDD) at any time. On your request to Customer Care we will include your name, address and your Phone Number in the list we sent to the NDD and, unless advised by you, request that you will not be included on the NDD opt in direct marketing list. We shall display your Phone Number to called persons unless you request otherwise, which you can do by contacting Customer Care.

2.11. You can use the Services to access emergency services by calling '999' or '112' free of charge. In accordance with mandatory regulatory requirements, your caller location data may be passed to the emergency services. However, your ability to access emergency services in this way is dependent on the type of service you are using and you may be restricted from accessing emergency services because of operational and technical circumstances beyond our control, such as battery and coverage.

2.12. If you are under 18 you are not allowed access any services which are specified by us for customers who are aged 18 or over. If you are aged 18 or over and wish to access these services, you must meet the requirements of our age verification process.

2.13. Please note multi-media message (MMS) functionality will eventually be retired by Vodafone. Vodafone will notify you ahead of this functionality being retired and it will not be possible to use MMS after that point. You agree this will not constitute a change to the terms of your agreement.

3. YOUR OBLIGATIONS

3.1. You agree that you are responsible for the acts and omissions of all persons using the Services and Equipment under this Agreement. Without any prejudice to any provision of this Agreement, you agree;

a. to use the Service as a consumer for your own private, personal and noncommercial use. For the avoidance of doubt, you may not resell the Service. c. the information on your application form is accurate and you will provide any further information and assistance, as may be reasonably requested by us. Such requests may relate to our ability to enable the delivery of Services to you; to investigate any faults or issues; and to investigate to the manner of using or provision of the Services, including any alleged offences;

You will remain liable for all Charges incurred until we are specifically aware of same. We will provide a replacement SIM Card and we may charge you for this replacement SIM by deducting the cost from your account. The loss or inability to use the Equipment or SIM Card does not automatically terminate this Agreement or your liabilities. In particular where your SIM Card or Equipment is lost or stolen during the Minimum Term, you'll continue to pay the remaining Price Plan charges for our services for the remainder of the Minimum Term; and,

i. to indemnify and hold us harmless against all liabilities, claims, damages, losses, expenses, costs and proceedings, howsoever arising from any breach of this clause.

4. CHARGES AND PAYMENT

4.1. We offer a range of Price Plans with different rates and methods of charging. Charging rates and methods may vary depending on the type of call, data or text sent or received. You must pay all Charges incurred through your SIM Card or Equipment whether or not incurred by you personally and all costs incurred in enforcing this Agreement through one of the payment options we make available to you. Charges include VAT unless otherwise specified. Usage of Services outside of your Price Plan or top up offer allowance will be charged for at the rates on our Charges webpage. Any unused portion of the monthly allocation associated with a Price Plan or top up offer cannot be carried over to the next billing period, unless otherwise specified by us. Legacy price plans will not always be available. Details of all up to date bill pay and PAYG Price Plans, top up offers and Charges for the Services including bundled Services are published on www.vodafone.ie/rates or are available on request from Customer Care.

4.2. We may require you to pay a deposit as security for payment of Charges. A deposit is refundable after termination of this Agreement or after a satisfactory payment record is established and you have paid all amounts owing to us. Advance payments may also be required, which will be credited to your account. No interest will accrue on any deposit or advance payment.

4.3. For bill transparency and to help you monitor your level of consumption you can view your bill and usage using your online My Vodafone account on our Website or use our Vodafone mobile app.

4.4. We may choose the manner, time and methods as to how all Charges, deposits or advance payments will be paid. We reserve the right, at any time, to set-off any

sum owing by you to us against any sum due by us to you, whether under this or any other agreement with us. We reserve the right to charge you a reasonable administration fee for each occasion a direct debit payment fails (provided the failure is not caused by us), which is set out on our Charges webpage.

4.5. Please note that certain Services are charged on the basis of the volume or type of transmissions sent and/or received by your Equipment over the Network except where your Price Plan provides otherwise. Our determination of the volume of transmissions will be conclusive. Volume indications given on your device screens may not be accurate. If there is a minimum charge for each session conducted using your Equipment and such session is terminated for any reason, the minimum charge may apply again if it is re-established.

4.6. Each 160 characters (or part thereof) of each text message in the English language is charged as a separate text message. The number of characters allowed per text message may be reduced where the default language is changed from English or where special characters or emoji(s) are used. Whilst we will make every effort to ensure that all text messages are delivered, you will be liable for all charges in respect of any text messages that are not delivered.

4.7. For a Bill Pay Customer:

a. Your bill will be provided on a periodic basis (usually monthly) and will state the amount you owe to us and the due date of payment. By default, your bill is provided to you online via electronic format. If you would prefer to receive your bill in a paper format, please contact Customer Care and we will arrange this for you free of charge. If you opt for paper billing, this will be sent to the billing address shown on the application form (or any other address notified to us) and will be deemed received on the second postal day after the date of posting. We may for operational reasons change our billing methods and periods and issue interim bills if or where necessary. A charge may apply for additional copies of a bill, which is set out on our Charges webpage.

b. All Charges and other payments must be paid by the due date specified on the bill. The default payment method is direct debit unless otherwise communicated to you, for more information on our other payment methods go to <https://n.vodafone.ie/support/bill-pay-hub/bill-pay/paying-your-bill.html>

c. We charge for your Price Plan in advance but cannot do this for usage of the Services. Therefore, on your bill, the service charges are for the upcoming month and the usage charges are for the month just passed.

d. **Annual Price Adjustment:** If you are a new, upgrading or recontracting customer on or after 30 July 2021 with a minimum term of 6, 12 or 24 months, your agreement will be subject to an annual price adjustment in April of each year. This means your monthly Price Plan charge will increase by an amount equal to the annual Consumer Price Index rate published by the Central Statistics Office in January of each year (this is the "CPI rate") plus an additional 3% of your Price Plan charge to reflect ongoing investments we make in our mobile network, products and services. This will be applied from your April bill. In the event that the CPI rate is negative, then no CPI amount is applicable but the additional 3% will still apply.

4.8. For a PAYG customer:

a. You can pay for Services on a prepay basis by purchasing top up credit which you can then add to your account. The amounts you are charged will be calculated in accordance with your PAYG Price Plan which applies along with any top up offer selected by you. You can purchase credit using any of the methods made available by us from time to time and may thereafter use the service for a period of 6 months. Where all credit has been used you will not be able to send texts, use mobile data or make calls (with the exception of calls to the emergency services).

b. Some independent retailers may apply a surcharge to credit sold in their stores. We do not control the price at which credit is sold by independent third parties and any surcharge is at the discretion of such third party.

c. A minimum level of credit (as specified by us from time to time) must be applied to your account every 6 months or at such intervals as we may specify from time to time failing which you will not be able to send texts, use mobile data or make calls (please refer to our Website for details). All unused credit will be carried forward at the time credit is applied to your account provided the minimum required level of credit has been applied to your account at least once during the specified interval. You may continue to receive calls and texts for a period of 8 months (or such other period as we may advise from time to time) following the date on which credit is last applied to your account. If the Equipment remains inactive or no credit is applied for a total period of 8 months or such other period as we may advise, all unused credit will be lost, and your Phone Number will be disconnected from the Network.

d. Top up codes for credit must be activated within 6 months of the issue date. After this period, it will not be possible to redeem any credit associated with the code.

e. Please note that delays may occur in charging for certain text messaging services. This may result in an immediate reduction in your credit when credit is next applied to the account.

5. ROAMING AND INTERNATIONAL CALLS

You may use the service while located outside the Republic of Ireland. However, access to local networks will depend upon the arrangements between local Network Operators and us. Special charges will apply to such use of the Services outside of the Republic of Ireland. The terms and conditions which apply to roaming can be consulted on our Website at www.vodafone.ie/roaming. Under EU Roaming Regulations, you can use your monthly domestic allocation of minutes/data/texts while roaming in the EU in the same way you use the allocation domestically. A fair use threshold may apply. For any other destination the monthly allocations cannot be used while roaming. For all charges related to Roaming and International calls please see our Charges webpage.

6. PHONE NUMBERS, EQUIPMENT AND SIM CARD

6.1. You do not own the Phone Number we provide you with as part of the Services. We reserve the right at any time to alter or replace a mobile Phone Number allocated to you or any other name, code or number whatsoever associated with the Service.

6.2. We shall issue you with, and license you to use a SIM Card to access the Services and for no other purpose, on the condition that the SIM Card shall remain our property and shall be returned to us upon request. We may charge you for the cost of checking, repairing or replacing a SIM Card.

6.3. Where you have purchased a Device from us, the terms of this Agreement, where applicable, apply to your use of that Device.

6.4. Where you have purchased a Device from us and you have chosen to pay part of the purchase price of the Device upfront and the remaining amount by instalments, you will not be charged any fees or interest for choosing to pay for the Device this way rather than paying the full purchase price for the Device up front. Where you choose to avail of the option to pay for part of the purchase price of the Device by instalments, you confirm that Vodafone has not invited you by advertisement to avail of such payment arrangement for the purchase of the Device.

6.5. Device Subsidy: A Device Subsidy will be applicable to you where you have purchased a Device from us in a bundle with the Services, and you have chosen to pay part of the purchase price for the Device upfront and the remaining amount by instalments. Where the Agreement is terminated during the Minimum Term, in certain situations as detailed in Clause 10, you will have to pay the Device Subsidy. Where applicable, all the information required to calculate your Device Subsidy is set out in your Welcome Letter. The Device Subsidy you pay will be the smaller of:

a. 1/24 of the original value of the Device less any up-front payment you made towards it, multiplied by the number of months left of your Minimum Term at the time the Agreement terminates; or

b. the monthly recurring Price Plan charge for the amount of time remaining on your Agreement (calculated from the day on which your Agreement terminates until the end of your Minimum Term).

Where applicable, we'll add the Device Subsidy to your final bill. If you require assistance calculating your Device Subsidy (for example, if you will terminate in the middle of a monthly billing period) please contact us and we will provide you with the amount.

6.6. Where you have purchased a Device from us and chosen to pay part of the purchase price by way of instalments over time, you agree that if you fail to pay any of the instalments on time, we may take legal action against you for non-payment.

6.7. Our Equipment is locked to the Vodafone Network and you are restricted from using the Equipment on any other network (unless you are roaming). Should you wish to use the Equipment on any other network you must meet certain conditions (and a charge may apply) before we can supply you with an unlocking code. If you are a Bill Pay Customer who has purchased Equipment from us, we are not obliged to provide an unlock code to you until you have been connected for at least 12 months, or you have spent at least €200 on your account, and you must have no outstanding balance on your account. If you are a PAYG Customer who has purchased Equipment from us; your first unlock code will be provided if you top up by more than €127 in the previous 12 months. Increased top up amounts are required for second and third unlock codes within a 12 month period. You must not permit the Equipment to be unlocked from the Vodafone Network by anyone other than us or the manufacturer. Please see <https://nac.vodafone.ie/> or contact Customer Care for further information on unlocking the Equipment.

6.8. Where we supply you with goods; we have a legal obligation to supply goods that conform with this contract and in accordance with the Sale of Goods and

Supply of Services Act 1980 (as amended) and the Sale of Goods Act 1893 (as amended).

10. TERMINATION

IF YOU WANT TO END THE AGREEMENT:

10.1. If you enter a "distance" or "off-premises" contract with us under the EC (Consumer Information, Cancellation and Other Rights) Regulations 2013 you may have the right to cancel this Agreement within your cooling off period, which expires 14 days following receipt of your goods or in the case of services, 14 days from the date your Agreement starts. To exercise this right to cancel you must notify us before the expiry of your cooling off period and you can do this by calling 1907 or by using the cancellation form. This right is subject to us receiving the required notice, the payment of charges incurred by you prior to cancellation, and the return of all equipment provided to us. Where you have used the products or services supplied to you to avail of mobile services before the expiry of the cooling off period you will be liable for any diminished value of the products or services. You will only be liable for any diminished value of the goods resulting from the handling of goods beyond that necessary to establish their nature, characteristics and functioning. To find out more information and to access the cancellation form, please view our website: <https://n.vodafone.ie/support/orders.html>.

10.2. For a **PAYG Customer**: this Agreement may be terminated by either party by giving notice or on the completion of the Porting process. If you want to give notice, please contact Customer Care via any of the ways set out in our Code of Practice. If you Port to another mobile Network Operator, this Agreement will terminate on the completion of the Porting process. You can also end the Agreement by not using the Services and choosing not to top up your account at any stage in accordance with section 9.3.

10.3. For a **Bill Pay Customer**: If you want to end the Agreement:

- a. **because you simply want to leave us**, you may do so by giving us at least 30 days' notice or by Porting to another mobile Network Operator. If you want to give notice, please contact Customer Care via any of the ways set out in our Code of Practice. If you Port to another mobile Network Operator, this Agreement will terminate on the completion of the Porting process. In each case, where you

terminate the Agreement during the minimum term, you will have to pay an Early Termination Fee.

- b. **because of the quality of our services.** If there is a significant continued or frequently recurring difference between the actual performance of our services and the service levels set out in this Agreement, you may be able to leave this Agreement during the Minimum Term without paying the Early Termination Fee (although, if you choose to keep your Device, you will have to pay for your Device Subsidy). To terminate the Agreement in this way, you will need to follow the process set out in clause 2.6 of this Agreement.

c. **because of changes.** If we make a change(s) to the contractual conditions of this Agreement you will have a right to leave this Agreement during the Minimum Term without paying the Early Termination Fee (although, if you choose to keep your Device, you will have to pay for your Device Subsidy). The right to leave this Agreement will not apply if the change(s) to the Agreement are (i) exclusively to your benefit, (ii) of a purely administrative nature and have no negative effect on you, or (iii) are directly imposed by European Union or Irish law. We will notify you of change(s) to the contractual conditions of this Agreement. If the right to leave the Agreement arises and you then wish to exercise the right, you must provide us with notice of termination within one month of receiving the notification from us of the change(s). If we do not receive notice of termination from you within this time period, you will be deemed to have accepted the change(s).

d. **because of any other legal right to terminate early under European Union or Irish law.** If you have a right under European Union or national law to terminate this Agreement before the end of any applicable Minimum Term, you will be able to leave us early without paying an Early Termination Fee (although, if you choose to keep your Device, you will have to pay for your Device Subsidy).

e. **In cases (b)-(d)**, if you choose to return your Device to us, it must be returned to us in full working order within 14 days of the date of termination of the Agreement. You will be liable for cost of return, unless we advise you otherwise. If you do not return the Device to us within this time period, you will have to pay the Device Subsidy. Information on the Device Subsidy is contained at Clause 6.5.

10.4. You can provide termination notice to us by contacting Customer Care. **IF WE WANT TO END THE AGREEMENT:**

10.5. We may end this agreement by providing 30 days' notice to you.

10.6. Aside from any other provision contained in this Agreement, we may, by written notice, terminate this Agreement with effect from the date set out in the notice, and cease to provide the service, where:

- a. there is a failure by you to observe or perform any term or obligation set out in these Terms, this Agreement or any relevant law;
- b. you fail to rectify the reason which has given rise to a suspension of the Service under our Suspension Clause, within 14 days of the suspension being imposed;
- c. you supply us at any time with false, inaccurate or misleading information;
- d. you are adjudicated bankrupt, become insolvent or make any composition or arrangement with or assignment for the benefit of creditors; or, e. if for any reason we are unable to provide the Service.

10.7. If we terminate the Agreement under clause 10.6, other than clause 10.6.e, during the Minimum Term, you will have to pay the Early Termination Fee. If we terminate the Agreement under clause 10.5 or 10.6.e during the Minimum Term, you will not have to pay the Early Termination Fee although you will have to pay for your Device Subsidy.

10.8. Where the Agreement is terminated all charges will continue to accrue and be payable until the date of termination, depending on the circumstances. In certain circumstances we may become aware of outstanding charges after the date of the bill issued on termination (e.g. roaming charges that are subsequently advised to us by our roaming partners), in these circumstances, we will be entitled to raise subsequent bills and you will be obliged to discharge all such bills by the due date specified on the bills. If you Port from our service, you accept that usage charges for the immediate billing period prior to Porting out will be applicable, plus any other relevant charges or outstanding amounts on your account.

10.9. Upon suspension or termination of the Agreement, we will disconnect your SIM Card from the Vodafone Network.

10.10. Services are supplied for domestic use in the Republic of Ireland. We will monitor the use of any newly activated SIM Cards on the Vodafone Network to ensure the SIM Cards are being used in Ireland. In circumstances where there is no usage in Ireland following activation, we reserve the right to deactivate the SIM Card without further notice.

11. LIABILITY

11.1. We will exercise such reasonable skill and care in the provision of the service as may be expected of a reasonably competent mobile telecommunications Network Operator. Except as expressly stated in this Agreement, all conditions, terms, warranties and representations (whether express or implied by law) in relation to the provision of the Service are excluded to the fullest extent permitted by the applicable law. As you are a consumer, the terms of your Agreement will not affect any statutory rights which you may have under any law and which we cannot limit or exclude under any contract or agreement with you.

11.2. We will have no liability to you (or to anyone claiming through you) for any direct or indirect or consequential loss suffered (whether or not foreseen or foreseeable), including loss of profit, or loss of goodwill for any reason. Scenarios where this applies include, but are not limited to, the following:

- a. failure, interruption, delay, suspension or restriction in providing the Service which is due to any act of God, civil commotion, pandemic or epidemic, government control restrictions or prohibitions, any other act or omission of any public or regulatory authority (whether local, national, international or supranational), an act of default of any supplier, agent or other person, strikes, work stoppages or labour disputes or any other cause whatsoever which is beyond the reasonable control of Vodafone or any other Service issue or cause whatsoever;
- b. any unlawful or unauthorised use of or access to the Network, service or Equipment by you or third parties;
- c. any claim arising out of any act or omission by you, your servants, or agents, or arising out of any reliance placed by such persons on content;
- d. any valid suspension of the service or termination of the Agreement;
- e. any claim arising in relation to the provision (or non-provision), maintenance or use of telecommunications lines, channels, equipment, networks or services or arising out of transmissions being dropped or connections being lost for any reason; or,
- f. any loss, theft or malfunction of the SIM Card or Equipment.

11.3. We will not be liable for any indirect or consequential loss or damage whatsoever (whether it is foreseen or unforeseen) including but not limited to loss of profits, data, revenue, business, anticipated savings, or goodwill. Nothing in these terms will have the effect of excluding or limiting the liability of Vodafone for death or personal injury resulting solely from its act or omission. Otherwise, any liability we have to you under this Agreement will not exceed the sum of €2,000 per claim.

11.4. We will not be liable for the effects upon you, or upon any electronic or radio systems in equipment, vehicles or aircraft in your vicinity, of any emissions or transmissions to, from, through or by the Vodafone Network and/or the equipment.

11.5. We accept no liability whatsoever for; (i) any product or service advertised or promoted, offered or sold by third party service providers for use on the Network or otherwise, including any mobile phone or device used in conjunction with the service, or; (ii) any omissions and/or errors which may be included in any marketing communications in this regard.
