Vodafone Business IoT Connectivity Terms

Introduction

This Price Plan, together with any applicable policies and guidelines referred to herein shall form part of your Agreement with Vodafone.

Product Details / Specification

1. IoT Connectivity enables Vodafone customers who have signed up to this Price Plan to use data services via their Vodafone SIM Card using a connected device.
2. You have an obligation to mainly use our Services for business, and legitimate business purposes in the Republic of Ireland, UK and EU territories only. Your use of our services should not exceed that reasonably expected of a reasonable person using them for these purposes. Vodafone can suspend or terminate the Services if Vodafone determine, in our sole discretion, that the Services are not being used in a manner consistent with normal usage, or that you are otherwise in violation of this Agreement. Vodafone will make reasonable efforts to contact you before suspending or terminating the Services but Vodafone are not liable for any loss you may suffer through any suspension covered by this condition.
3. Each April, your monthly plan price will increase by an amount equal to the CPI rate published in January of that year plus an additional 3%. See [Mobile Terms and Conditions](#) for more detail.
